ARMORBOSS™ FLOOR STAND SHIELD (ABF-2424)

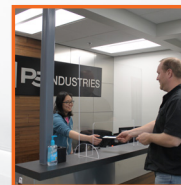

A VERSATILE SOLUTION FOR SAFER FACE-TO-FACE INTERACTION WHEN STANDING

The ArmorBoss™ Floor Stand Shield allows face-to-face communication between two standing individuals while limiting the transmission of germs (via coughs or sneezes) to both parties. Designed with versatility and personal separation in mind, it is easy to move from one location to another and features an adjustable base that allows the protective shield to be raised to a maximum height of 78.5 inches. It can even act as a particle barrier for machine guarding in an industrial environment.

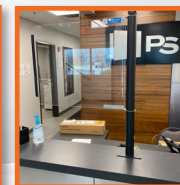

- **Perfect for lobbies, reception areas, and entryways or for individuals providing security or working lines at public events** – Keep doing business while keeping employees and customers safe
- **Works for machine guarding** – Keep visitors away from equipment in your factory or protect your team against particles
- **Allows for safe, face-to-face communication while standing** – The ArmorBoss Floor Stand Shield limits the transmission of germs between both parties
- **Easy to assemble** – Out of the box and in service in just minutes
- **Adjustable to heights up to 78.5 inches (stock size)** – Adjust the height to the user and the situation to offer maximum protection
- **Made with durable, clear acrylic plastic** – Stands up to years of use and is easy to keep clean
- **Mobile design allows for use virtually anywhere** – Move the ArmorBoss Floor Stand Shield wherever you need it
