## ARMORBOSS™ X-SHAPE TABLE SHIELD (ABX-4824)

### THE IDEAL SOLUTION FOR SAFER IN-PERSON GROUP INTERACTION

The ArmorBoss™ X-Shape Table Shield allows for customers or workers to share a small table and carry on a conversation, while simultaneously limiting the transmission of germs to all involved. Its unique design joins two clear acrylic plastic protective shields to form an X-shape, making it perfect for use at round tables. Created with personal space and separation in mind, the ArmorBoss X-Shape Table Shield is the ideal solution for keeping customers and employees safe during meals, breaks and other functions – even when more than two individuals are present.

- **Perfect for cafes, coffee shops, restaurants or any facility with a break room** – Simultaneously protects multiple people from the germs that result from sneezing or coughing
- **Allows for safe, face-to-face communication between multiple people** – The ArmorBoss X-Shape Table Shield limits the transmission of germs between individuals on all sides
- **Unique, X-shape design is a perfect fit for round tables** – Fits perfectly in the middle of round, flat surfaces or small square tables
- **Made with durable, light acrylic plastic** – This material stands up to years of use and is easy to keep clean
- **Mobile design allows for use virtually anywhere** – Move the ArmorBoss X-Shape Table Shield wherever you need it
- **Available in one stock size** – (47.5" width x 23.5" height)
